

War Horse Ink

MURAL DEPARTMENT

OBJECTIVE

This resume is designed to briefly outline qualifications and the capabilities of the War Horse Ink Mural Department. This document is a true representation of War Horse Inks experience as requested by the contractor for the task of creating additional murals in downtown Ravenna Ohio.

KEY SKILLS

- ◆ Artistic creativity is a key factor when creating one-of-a-kind works of art.
- ◆ Graphic design capabilities allow our crew to create images that can be reviewed by the contractor and easily changed or modified upon request.
- ◆ Exterior/Interior painting experience helps our crew to understand the application process and allows us to make competent decisions involving supplies.
- ◆ Efficient leadership of a moderate workforce allows for a timely result.

War Horse Ink is very proud to embrace the Portage County community by adding beauty and creativity to our cities and towns. We are hopeful to continue this service with the upcoming murals in Ravenna Ohio.

Leadership

All mural projects are overseen personally by the War Horse Ink company owner Clint Marsh. Furthermore, the day-to-day operation is managed by the War Horse Ink Mural Department Manager Robert Habbershon. The application is completed by numerous artists from the crew under constant supervision and leadership.
